

## Open doors and minds to possibilities and opportunities

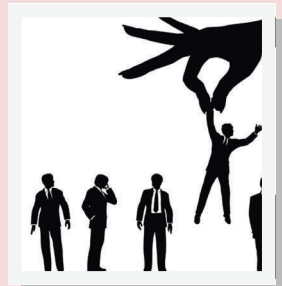

The Facts: Over a million young people not yet in education and employment, 1 in 5 young people

feel that their life is not worth living, over 3 million young people living in poverty, mental ill health on the increase amongst 15 - 21 year olds, higher numbers of self harmers, increase in bullying and harrasment and more convictions for knife crimes (to name but a few.)

The good news is Training can instill a passion for life long learning, raise self esteem, confidence and develop the leader within!

Are you ready to stand out in the crowd?
